About me

I am a professional web developer with over 15 years of experience. I have worked for many different companies and have been responsible for creating and maintaining websites for a variety of clients. I have a strong background in HTML, CSS, JavaScript, and PHP. I am currently working as a Senior Web Developer at a large company. I am passionate about my work and always looking for new challenges.

Please take a look around my Portfolio to see how I have utilized my skills in HTML and CSS
